Rosé of Pinot Noir

Estate Grown & Bottled

Vineyard

Notre Vue is a 710 acre, Certified Sustainable Estate uniquely situated in both the Russian River Valley and Chalk Hill AVA's. This Rosé of Pinot Noir comes from a portion of the property rich in ancient seabed and heavy clay Soils.

Winemaking

Pinot Noir grapes were hand harvested at night; destemmed and transferred to tank where they sat on the skins for 6 hours. After fermentation was complete, the wine was blended and cold stabilized before being bottled on January 30th.

Wine

This delicate wine offers aromatics reminiscent of watermelon, orange rind, and morning roses. Fruit driven with crisp acidity, and balanced flavors of strawberries, guava, and white peach. The result is a pale salmon, elegant, fruit-forward wine best enjoyed chilled.
