AWARDS & SCORES

August 2020

Tasting Panel 93 pts.

“...scents of Key Lime, macadamia nut and grapefruit zest. A salty splash enlivens notes of guava, while mid-palate brings in a lovely lemongrass and peachy caramel.”

June 2020

International Wine Review 91 pts.

“...very appealing, well balanced, fruity but dry wine showing grapefruit complemented by hints of guava and passion fruit... acidity is just right, ensuring freshness without the brashness of some other Sauvignon Blancs.”

James Melendez 93 pts.

“... a bit of lemon curd, a bit of passion fruit, and just a hint of gooseberry... a gorgeous wine!”
